FreshMore/ FreshGround

Freshly brewed coffee

The taste of quality worldwide

■ Fresh brew

Enjoy delicious, full aroma fresh filter coffee at the touch of a button whenever you need it. Bravilor Bonamat's fresh brew equipment makes this possible. The FreshMore offers a wide variety of specialty coffees such as cappuccino, espresso and hot chocolate. A unique combination, fast and user friendly. Are you looking for a real fresh coffee experience? Then the FreshGround is the right machine for you. You can see the whole coffee beans on top of the machine, hear them being ground, smell the fresh ground coffee and taste the quality.

- Each cup freshly brewed
- Sharp looking bean canister
- Adjustable LED colours
- Adjustable settings
- Little maintenance: automatic descaling system and rinsing program
- Unique Bravilor Bonamat hot water system: less susceptible to limescale
- Descaling signal
- Waste bin-full indicator
- Drip-tray-full indicator
- Cup lightning
- Totalizer (daily and total)
- Grinder for perfectly ground beans (FreshGround)
- Decanter switch
- Intelligent energy-saving mode

◀ See, smell, taste.... The FreshGround stimulates your senses. Note the sharp looking bean canister!

◀ A clear and user friendly display with adjustable LED colours.

Options FreshMore / FreshGround

- Customer's own branding can be fitted on request
- Cabinet especially designed to hold the machine
- Coin mechanism
- Version with cold water option

We advise the use of:

- Bravilor Bonamat filter rolls
- Renegite for descaling
- Cleaner for thorough cleaning
