

# UNISERVE™

## COMMERCIAL GRADE BREWER

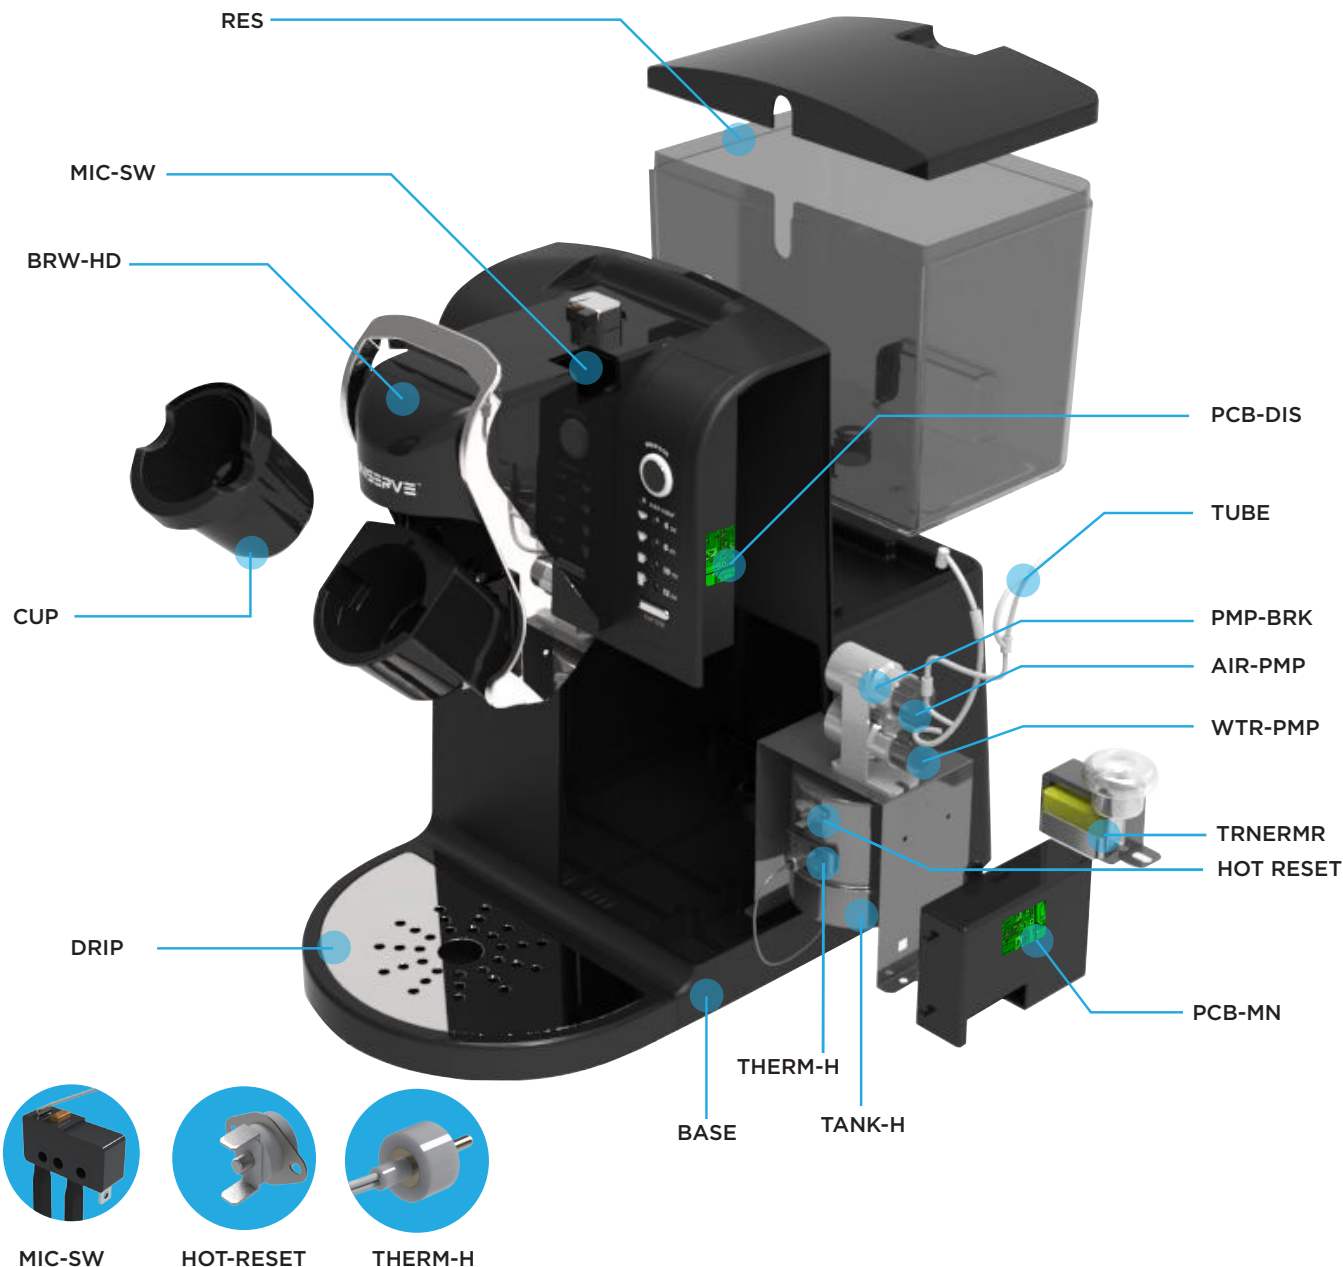

Exclusive to the Office Coffee Service (OCS) and Home Office Delivery (HOD) industries, Uniserve brings you a serviceable K-Cup® compatible brewer.

The Uniserve Brewer is designed with the commercial platform in mind. Easy to access parts and available replacements make keeping the Uniserve Brewer running an easy task.

### WHAT DOES SERVICEABILITY REALLY MEANS?

The Uniserve Brewer's most important components are all replaceable. Hot tank, pumps, PC board, and all cosmetic components.

**DON'T CUT THE CORD!  
THIS BREWER STILL HAS  
MORE CUPS TO MAKE.**
